Dear Parents,

I have been into every classroom, several times, since I have started here at Hampden Park PS and I am truly inspired what goes on in the classrooms. The teachers are dedicated, skilful and really teacher every child so well. Please don’t be shy in immersing yourself in this learning too. Please talk to you class teacher as to how you can help continue this great learning at home.

As a new principal you always go to a new school and see things that might need a bit of change or improvement. There are two things that you can do to help the school and your child. Firstly, in morning assemblies can you please ensure that:

- Your child arrives well before the bell goes
- You let your child go to their class line by themselves
- You stand at the back of the assembly or on the other side of the railing
- You listen to all the announcements

Also you can help us in the classrooms at any time. Teachers are always looking for helpers in the classroom but unless you are coming to help at school there is provision here at school to come in at recess or lunch. Of course if you do need to see the class teacher please come to the office and get a parent pass. There is no need for parents to come to school at recess or lunch. This will be discussed at the next P&C meeting.

Thanks again for supporting me in my first weeks at Hampden Park Public School. It is a great school and I look forward to the years ahead. I know we are going to make a difference in our community!

Terry Fisher
Principal

Encourage reading and raise funds!

Book Fair
