Parents and Teachers Working Together
At Hampden Park we value parent involvement in our classrooms. We invite you to come in and spend some time with your child and their class!

If you have any questions or concerns your child’s teacher will be happy to meet with you at a mutually convenient time. You can arrange this meeting by consulting with the teacher before or after school or calling the school office, 9750 4111.

Homework
Year 2 will receive homework each Friday. As per our Homework Policy, sent home with our first Hampden Happenings, it is expected that students spend approximately 15 minutes each weeknight on their homework. Completed homework is to be returned to school the following Friday. Please support us by ensuring that homework is completed and returned each Friday.
